Apart from the special provisions for progression under Clauses 9.4 to 9.6, grants shall not be paid to candidates who have previously attended a course approved for the purposes of this scheme irrespective of whether or not a grant was paid previously. Grants shall not be paid in respect of a repeat year of study on the same course irrespective of whether or not a grant was paid previously. A Vocational Education Committee will have discretion to waive this provision in exceptional circumstances such as cases of certified serious illness.
- 9.3 A candidate wishing to change course or faculty must obtain the prior approval of the Vocational Education Committee in order to ensure compliance with the grant continuance provisions of this scheme.
- 9.4 A candidate who has completed a two year Middle Level Technician (M.L.T.) course is not eligible for a grant in respect of a further two year or three year Higher Technical/Business Skills (HTBS) course, irrespective of whether or not a grant was previously paid, but s/he may be eligible for a grant in respect of the third "add-on" year of a related Higher Technical/Business Skills (H.T.B.S.) course.

9.5 A candidate may in general only receive funding for the approved duration of one Third Level Training (TLT) aided course. Grants shall not be paid to candidates who already hold a Level 7 qualification or equivalent qualification and are pursuing a second such qualification. However, subject to a maximum duration of four years in all, funding may be extended where:

- (b) a candidate who was awarded a grant in respect of a one-year course. Such a candidate may be considered eligible for the award of a grant for the subsequent two or three years of a related M.L.T. course or H.T.B.S. course.
- (c) a candidate who, by virtue of having satisfactorily completed two years of an M.L.T. course, gains admission through exemption to year two of an indirectly related H.T.B.S. course. Such a candidate may be considered eligible for a grant in respect of attendance at the new course subject to a maximum of two further years funding.

9.6 However a candidate who has completed not more than the first year of an Honours Bachelor Degree or equivalent Level 8 course may have their grant continued for a maximum of three years on an M.L.T. or H.T.B.S. course. Such persons are not eligible to avail of the exemptions at Clause 9.5 (a), (b), (c).

10.3 Where an adverse change in the reckonable income occurs, awards or adjustments in cases assessed under this clause shall normally be made with effect from the college term in which the change in circumstances occurs.

10.4 Where a positive change in reckonable income occurs during an academic year, any grant awarded shall continue to be paid until the end of that academic year. However such grant-holders shall be re-assessed before the grant is renewed for the following academic year.

10.5 The amount of the grant payable in respect of a college term shall be one-third of the annual rate.

CLAUSE 11: PAYMENT OF GRANT

11.2 A candidate who, by reference to the prescribed income limits, does not qualify for a maintenance grant under this scheme may be eligible to apply for a fees-only grant in respect of the student services charge. In such cases, the Department of Education and Skills may, on behalf of the candidate, pay the College in respect of the student services charge an amount of up to **€500**, where reckonable income is within the prescribed income limits for a fees-only grant set out in Appendix I.

12.2 A candidate whose application is deemed to be late may have his/her application processed and be awarded a grant from the commencement of the following year of his/her course.

12.3 It shall be a condition for the acceptance of an application under this scheme that, in connection with the processing of the application, the parents or legal guardian of a candidate or, in the case of an independent mature candidate, the candidate himself/herself and his/her spouse, if applicable, authorise:

- (i) the Vocational Education Committee and the Department of Education and Skills to seek the assistance of, and supply any relevant information and documents to the Revenue Commissioners;

It will be the responsibility of applicants to ensure that the statement of income and other details sought is full and complete in every respect. **If an applicant's failure to provide this full and complete information be the result of a deliberate material omission or inaccuracy, the applicant(s) will be liable to prosecution, loss of grant and repayment, with interest, of any portion of a grant already received.**

CLAUSE 15: DETERMINATION OF DISPUTES

15.1 Where an applicant has been refused a grant under this scheme by a Vocational Education Committee, s/he may appeal that decision to that Vocational Education Committee not later than 30 days after receipt of the decision. This period may be extended by the Vocational Education Committee (at the request in writing of the applicant) for a further period not exceeding 30 days.
