A Vocational Education Committee shall have discretion to waive this provision in exceptional circumstances, such as certified serious illness. However, notwithstanding this condition candidates who: -

- (i) on completion of a one year post-graduate course which has not led to the conferral of a qualification, gain admittance to the second year of a post-graduate course; or

- (ii) already hold a postgraduate qualification and are progressing to a further postgraduate course which represents progression may be deemed eligible for grant aid.
