HOME-ECONOMICS ROOM

We are delighted that the refurbishment of the Home – Economics room was completed earlier this term. In excess of €50,000 was spent on the works and it is yet another mile stone in the continuing development of the Coláiste. It is no longer necessary for students to walk to Gairmscoil Mhuire for classes in Home Economics, Science, Technical Graphics or Computers as the facilities are now available at the Coláiste. I take this opportunity to once again thank Gairmscoil Mhuire for facilitating us in recent years.

GAEL-LINN Díospóireachtaí

Donagh, Orla agus Aoife a ghlac páirt i gcomórtas díospóireachta GAEL-LINN, buíochas le múinteoir Niamh a d'ullmhaigh iad.

NEW COMPUTER ROOM

We are happy to announce that the Coláiste now has a fully equipped T4 room (Technical Graphics) which doubles up as a Computer Room, total investment was in the region of €14,000. Already it has been put to good use as the 4th year students, tutored by múinteoir Bairbre, have successfully completed the first modules of the ECDL (European Computer Driving Licence) programme.
